## Mushroom Art Project

For young artist

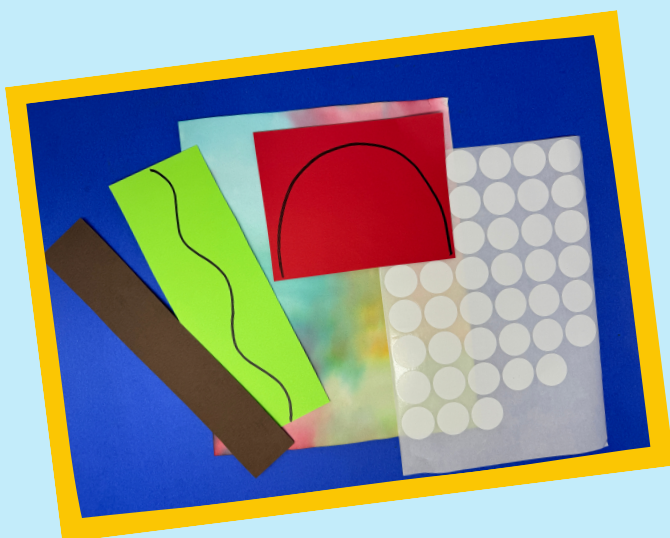

### Overview

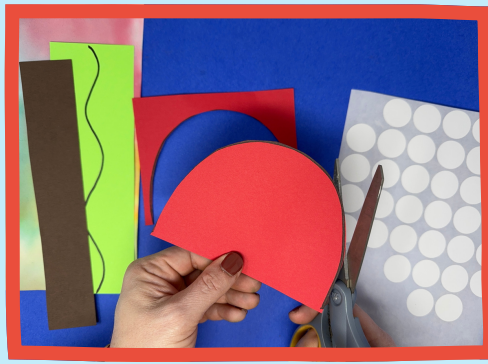

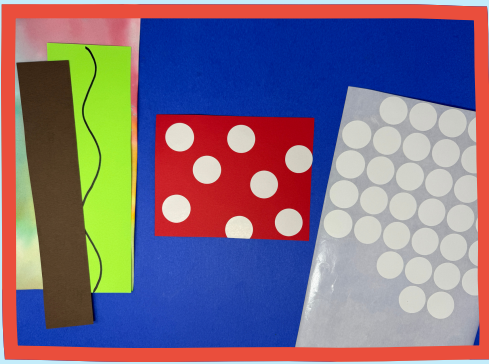

This lesson focuses on cutting skills for young artists. We suggest pairing this lesson with the tissue paper bleed background.

### Supplies

- 1.5 “ X 6” Brown Paper
- 3.5” X 5” Red Paper
- 3”x8” Green Paper
- 1” White Circle Stickers
- Glue Stick
- Scissors
- Optional: Tissue Paper Bleed Background
- Optional: Additional stickers and markers for other objects such as a snail

Art to Remember

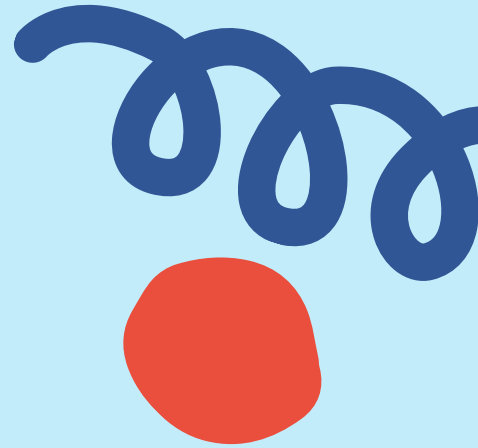

## Step 1

Draw a curve on the red paper. On the opposite side, ask the artist to use stickers to decorate the area. Artists will then practice their cutting skills and cut on the curved line.

## Step 2

Draw a wavy line onto the green paper. Artist will cut on the line with their scissors.

## Step 3

Now, the artists will use their gluing skills to add the brown paper, then the green grass, and finally, the red mushroom top.
