

# FUN

## “Handmade” FlowerArt Project

For young artist

### Overview

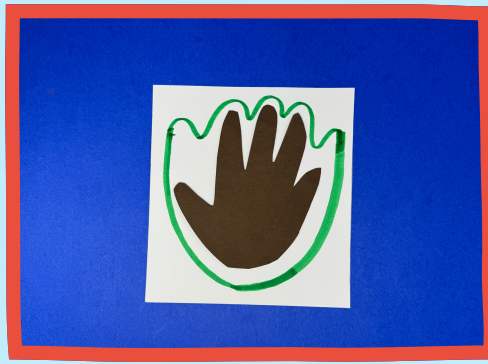

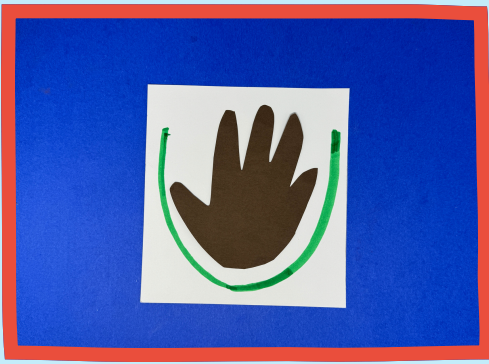

Loosely outline an little artists’ hand and cut it out to make an abstract flower shape. Use a marker and glue stick to complete the composition.

### Supplies

- 6“ X 6” colored paper paper
- Green marker
- Glue Stick
- Scissors
- Optional: Paint Spray Paper

Art to   
Remember

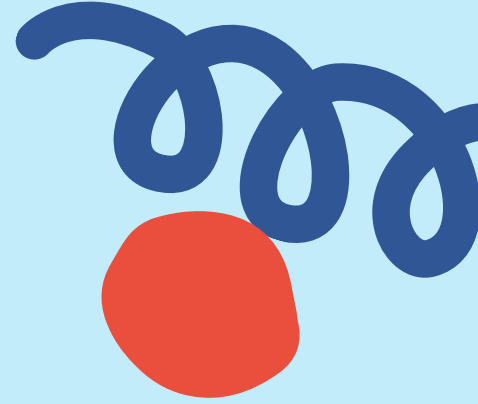

## Step 1

Draw an 'U' shape below the hand. Then wavy lines above the fingers.

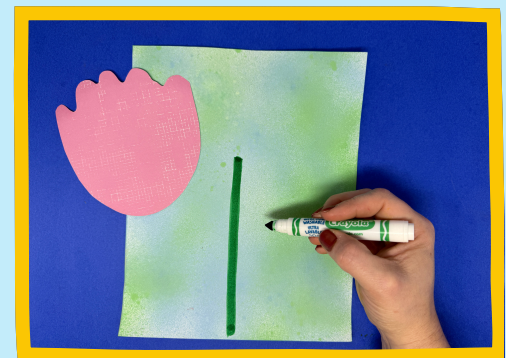

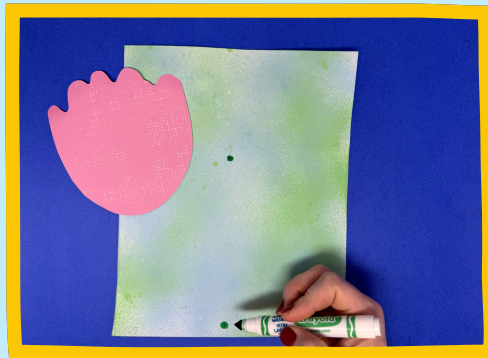

## Step 2

Cut on the hand outline.

## Step 3

On the background page draw a dot to help guide the artist line to become a flower stem.

## Step 4

Glue the flower shape on top of the stem.

## Step 5

Draw oval-like shapes on either side of the stem to represent leaves.
